

TANYGRISIAU BASE

The Go Below Tanygrisiau Base

Our Tanygrisiau Base is the starting point for our full day Xtreme Trips. It is located at the Tanygrisiau Railway Station (on the Ffestiniog Railway). The postcode often leads people to a nearby residential street, so if you're using satnav, put in "Tanygrisiau Railway Station" which is far more accurate.

From Blaenau Ffestiniog, take the A496 towards Porthmadog. After a mile, take the turning on the right (signposted to the train station) when you see the field full of vintage farm machinery. Then take the immediate left towards the lake.

After a short distance, the station car park will be visible on the right, as will be the large Go Below sign. Please park here, your trip leader(s) will be waiting for you close by.

Satnav "Tanygrisiau Railway Station"
